

Hollybrook Cottage provides a quaint covered entry way to keep you dry when coming home. The eat-in kitchen that opens to the living room just adds to the large feeling that this floorplan provides. With two bedrooms side-by-side, you get privacy but with the convenience of being close to your cottage mate. Lots of closets gives you the space you need to store virtually everything you want. A dry bathroom is standard in this version of our FlexAssist™ Bathroom offering a functional and beautiful bathroom. Lots of windows and a sliding glass door lets the light in while simultaneously giving you great views of the outdoors.
