

RAVENSWOOD SUITE

Better Living
by Design

The Ravenswood Suite's unique floor plan offers extra space and blends in well with many home exteriors, whether a two-story home or a ranch style home. The separate living room is complimented by a built in Butler's Pantry (small kitchenette). A spacious bedroom affords privacy from both the main home and the living area of the suite. With the dry version of our FlexAssist™ Bathroom as standard, smart use of this space allows a washer/dryer combination unit to easily be included for use and added convenience. A simple upgrade from the shower to a walk-in tub and you are well on your way to enjoying a relaxing bath your own private bathroom.
