

SANDLEBROOK COTTAGE

Better Living
by Design

The Sandlebrook Cottage is a great choice for indoor living. With two bedrooms and a large open floor plan this layout caters to those that want to feel the space. A wet bathroom is standard in this version of our FlexAssist™ Bathroom offering an easily accessible, functional, and beautiful bathroom. This split bedroom plan offers the functionality of two bedrooms, but with space between them for an added level of privacy. Lots of closets gives you the space you need to store virtually everything you want. (Shown with optional porch)
